**LinkedIn**: https://www.linkedin.com/in/carlos-toledo415/ | **Github**: https://github.com/kqarlos
**Portfolio**: https://professional-portfolio2020.herokuapp.com/

Full-Stack Web Developer with excellent communication and teamwork skills developed from working in the hospitality industry. Successfully collaborated in teams of 3-5 to develop full-stack applications. Passionate about problem-solving, learning technologies, and developing user-friendly applications. Looking forward to using my technical abilities and software engineering skills to create user-friendly experiences.
